

Typhoon / Black Rainstorm Arrangement for PMIHK Activities:

A. For PMI Evening Programme / Class

If the Hong Kong Observatory announces typhoon no. 8 or above, or black rainstorm signal or such signal remains hoisted by 4:00pm, the PMIHK evening programme will be cancelled for that evening

If the typhoon signal No. 8 or above is hoisted during an evening programme, the evening programme would be suspended immediately.

If a black rainstorm signal is hoisted during a programme, participants are recommended to remain in shelter until the weather and traffic conditions have improved.

B. For PMI Day Training Class

All Training Class will be cancelled if the Hong Kong Observatory announces typhoon no.8 or above or black rainstorm signal or such signal remains hoisted by 6:00am, the PMIHK day class will be cancelled for that day.

If the typhoon signal No. 8 or above is hoisted during a class period, all classes would be suspended immediately.

If a black rainstorm signal is hoisted during a class period, students are recommended to remain in shelter until the weather and traffic conditions have improved.
