

Dear members of PMI HK Chapter and members of the Engineers' Club,

## **Engineers' Club – Project Management Seminar Series**

You are cordially invited to attend the fourth PM Seminar of the Engineers' Club of PMI HK Chapter.

|                |  |
|----------------|--|
| <b>Topic</b>   | <b>Project Management Seminar Series – Seminar No. 4:<br/>- Quality Implementation for Construction Projects</b> |
| <b>Date</b>    | 5 Dec 2011 (Mon)   |
| <b>Time</b>    | 7:00pm – 8:30pm (Registration will start at 6:30pm)  |
| <b>Venue</b>   | 9/F Island Beverly, No.1 Great George Street, Causeway Bay   |
| <b>Charges</b> | <b>Free of charge</b>  |

The Seminar is jointly organized with HKIE (PMG), HKIE (YMC), IIE (HK), IMechE (HK) and ASME (HK)

### **Programme Highlights:**

Quality Management is very important in the Construction Projects. The speaker will share the quality management performance improvement by adopting risk management approaches: the basic concept of project quality management; cost of quality in project; elements of project quality plan and inspection and test plan; suitable quality control tools for monitoring the projects within the triple constraints; and lean management approaches for project implementation.

### **Speakers:**

Mr Coleman TSE has more than 15 years working experiences in Quality Management. He joined Hong Kong Quality Assurance Agency (HKQAA) as the General Manager since 2006, being responsible for business development and operation management of Construction Business Division; and General Manager of China Desk roles in 2011, representing the Headquarters of HKQAA to support the operations including technical and business development of Mainland China Operations.

Dr. Sammy Wan is specialized in evaluation of industrial strategies in construction engineering and has published numerous articles and technical papers on this topic. He has been working as a qualified quality, safety and environmental practitioner by profession since 1999 and has been appointed Quality Assurance Manager and Deputy Management Representative of Quality, Safety and Environmental Management Systems of the corporate since 2007.

### **Registration & Enquiries:**

The number of participants is limited to 15 and applications will be accepted on a first-come-first-served basis. Priority will be given to members of the Engineers' Club. To join the Engineers' Club, you only have to pay HK\$50 per year. To register, please reply to this email at admin1@pmi.org.hk. If you have any enquiries, please contact us at 2784 1880.

We look forward to seeing you in our fourth seminar of the Series.

Best regards,

Raymond Wong  
President, PMI HK Chapter

Alex Leung  
Chairman, Engineers' Club of PMI HK Chapter
