

EVP-Internal Elect: Anthony Tsui, B.Sc, MIT, PMP

PMI Member : Since 2007

Vision Statement:

In nominating for Executive VP - Internal, PMI Hong Kong Chapter, my vision is to leverage on my combined extensive experience as a seasoned Project Management Professional, long-term PMI & PMI HK Member, Volunteer, Certification Holder, Executive Committee Member & Vice President (Programs) to advocate, bring greater awareness of the profession, support and to drive business development for the Chapter.

My strategies to drive and realise this vision can be summarised below

1. Integrated and synergistic focus on the Business functions of Membership, Certification, Volunteer Development, Programs & Professional Practice with particular emphasis on
 - Engagement, collaboration and outreach to members, certification holders, volunteers, organisations, institutions and individuals
 - Realising Benefits & Bringing greater value of PMI HK Membership and PMI Certification
 - Volunteer Retention, Recruitment, Recognition programs & initiatives
 - Delivery of Professional Development Programs & Events
 - Promoting & Supporting the Project Management profession & its practitioners
2. Encourage and establish broader & closer collaboration with PMI HK Executive Committee, their functional departments, overseas PMI Chapters, Supporting Organisations, Corporate & Academic Institutions
3. Provide support & guidance to the following Business Functions : Membership, Certification, Volunteer Development, Programs & Professional Practice with focus on
 - Greater collaboration & synergy between these Business Functions
 - Continuous Improvement, Streamlining of processes and quality assurance
 - Optimising use, value & benefits from use of internal & external systems, tools and technologies that underpin these Business Functions
