

VP- Corporate Relationships Elect: Shiu Ching Stanislaus Tsang

Vision Statement:

I would like to help PMIHK Chapter to gain a better exposure in the corporate level in order to help to promote the value of PMP and also the benefit of being a PMI members especially in terms of ongoing skill uplifting and ways to renew the PMP certification in an efficient and cost effective way. I would also like to encourage more sharing a different corporation in cross terms of lessons learnt from various projects performed by different companies in order to facilitate learning mindset. I would also like to do more collaboration with other corporate partners in order to provide a platform for the business community to fulfill their needs of project management discipline.

As PMIHK Chapter is a Non Profit organization, I would also like to help develop and implement more value add sponsorship packages to acquire corporate sponsor for the annual congress, special events and other major functions. I would also lead and coach a sub-committee team supporting the Sponsorship function in engaging more involvement from corporate and other SME.
