

VP-Education Elect: IU Chung Chung, Felix

Vision Statement:

I am enthusiastic and committed to serve at the PMI HK Chapter and after being the sub-committee of Education for the past 2 years, I believe I am capable to take on the VP Education role and responsibilities to help to achieve the objectives of the Education at PMIHK Chapter. I shall own the Education function of PMIHK which includes but not limited to the following:

- Designs, prepares and organizes deliveries of PM and advanced PM training courses for members, non-members and PMPs. I shall work with more trainers to design and develop a variety of courses which can span across multiple industries and also to uplift the skills of the members and non members.
- Develops, leads, and coaches a sub-committee team in supporting the Education function – I shall lead and coach more volunteers to participate in the events of Education in order to
- Reports to the Executive VP – External; align and joint development with respective functional VPs to promote PMP, ACP, BA etc...and other activities within PMIHK
- Organize some study sessions gathering for people who have attended the training to promote ongoing learning and sharing

PMI Leadership Experience:

- Sub-committee member of VP Education, PMIHK Chapter (2017-2019) – helped P Education in organizing the training courses and also performing the Class Manager role for some of the training sessions.
- Team member of the 20th Anniversary Events in 2017, including the Congress and Gala Dinner event held in Nov 2017
- Team member of the PMIHK Congress in 2018 held in Nov 2018
